Hi Anita.

Please find attached the updated bin store detail. The existing bin store will be completely removed from the edge of the Highway. I trust this will now be acceptable to Highways, but please let me know if further information is needed.

Kind regards

Nicola

Hi John.

I visited the site last week.

The bin store is 70 inches high and 15.4m long.

My suggestion would be to re-site a smaller bin store to the rear of the site next to the cycle store and have all of the new parking to the front.

Can you amend the plan so that I can forward to Anita who would like to receive it by 30th.

Many thanks John.

Hi Nicola,

Please see County Highways initial comments on the revision. Without prejudice, can you provide additional plans to clarify/demonstrate the visibility achievable? I would appreciate receipt within the next 7 working days.

Regards
Anita

Good Afternoon,

I would wish that the applicant provides a plan to support their emails, showing the dimensions of the fencing and showing the maximum achievable visibility splays as a result of this.

If you wish a formal response I can request More Information and a re-consultation?

Many Thanks
