

Planning Statement/Covering Letter

This letter is relating to the land/property at Unit A, Rudford Industrial Estate, Ford, BN18 0BD.

We are acting on behalf of Jablite Limited, as they are wishing to get a Certificate of lawfulness for an existing use. They are wanting this document in order to confirm that they are using the property for the use stated in the lease which is the industrial uses of B2 & B8. They are not wanting to submit a planning application for a proposed project, they are simply wanting a document to confirm that they are using the land for its original purpose.
