Hi Daun,

Thank you for such a prompt response, yes I confirm that the materials of the extension will match that of the main dwelling.

The 2 different measurements are the projections from both existing flanks.

Kindest regards

Mr Wrigley,
Further to my below email, we can accept both measurements in Question 4.

We just need confirmation that the materials for the extension will match the existing house.

Thank you,
Mrs Johnson

Mr Wrigley,

I am currently working on the above PDH for 8 Rodney Close, Ford.

Question 4 a) has two measurements in it. Can you please delete the measurements that is not needed in this box?

Also, please confirm the materials that will be used for the extension.

Thank you,
Mrs Johnson
