Dear Mr. Wingfield,

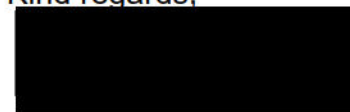

Re: F/9/26/DOC – The Landings, Ford

I write in relation to the decision notice issued under reference F/9/26/DOC. Following the release of the decision notice it was identified that reference was made in error to F/16/24/RES within the decision notice. The correct planning reference should have been F/15/24/RES.

Please accept this letter as clarification of the details which were considered and discharged through the determination of F/9/26/DOC with the partial discharge of Condition 15. A copy of this letter will be made available on the planning file for future reference.

Please do not hesitate to contact me should you wish to discuss.

Kind regards,

David Easton
