Dear Sirs

Re: 1 St Nicholas Cottage, Houghton, Arundel, West Sussex, BN18 9LW

Further to submission of a new application for planning and listed building consent yesterday we have been advised by our client's Party Wall Surveyor that a slight amendment was required to the positioning of the external wall to the proposed W.C.

We have, therefore, carried out these amendments and enclose four copies herewith of drawing nos. 02G, 03D and 06C and would be grateful if you could please substitute these drawings for those previously issued.

I apologise for any inconvenience caused.

Yours faithfully
