NOTES

GENERAL

1. Under the Town and Country Planning (Control of Advertisements) Regulations many outdoor advertisements require express consent before they can be lawfully displayed. Applicants should refer to the Regulations for details or seek advice from the Planning department.

PERIOD OF CONSENT

2. Normally the maximum period for which consent may be granted is 5 years. The Council may not grant consent for a longer period without special approval from the Secretary of State for the Environment.

OWNER'S CONSENT

3. It is a **condition** of every consent granted by or under the regulations that before the advertisement to which the consent relates is displayed, the permission of the owner of the land or other person entitled to grant permission shall be obtained.

OTHER CONSENTS

4. Consent under the Town and Country Planning (Control of Advertisement) Regulations does not relieve the applicant from obtaining any other consents which may be necessary, e.g. under the Petroleum Acts, Listed Building legislation etc.

PLANS REQUIRED 6 copies of the following are required:

5. A LOCATION PLAN containing sufficient information for the Planning Authority to identify the exact location of the land. It should be drawn to a scale of not less than 1/2500 and should show the application site edged red.
6. A BLOCK PLAN to a scale of not less than 1/500 showing the boundaries of the application site and indicating the precise position of the proposed advertisement.
7. DETAILED PLANS of the proposed advertisement to a scale of not less than 1:10 showing the layout, wording and colouring of the advertisement and the size of all lettering together with the method of fixing or support.
8. Where a sign is to be displayed on a building, the plans should include a complete elevation of the relevant face of the building to a scale of not less than 1:50 and should indicate the precise position of the advertisement. If photographs of the premises are available these may be used as an alternative to the elevation plans.

FEES

9. By regulations made under the Local Government Planning and Land Act 1980, a fee has to be paid to the Council when an application is submitted, and an application cannot be determined until the proper fee has been received. If you are in doubt contact Planning services.
