Dear Mrs Johnson

Further to your letter of the 6th April 2018 and our conversation of earlier today. We would like to confirm the following.

1. As a swimming pool is allowed under permitted development rights, it will not form part of the application.
2. We believe the existing survey drawings plans and elevations are accurate. The window indicated on the semi-circular staircase is located at a half landing, drawing convention would show a landing at ground floor together with the associated window. I am surprised such an anomaly is preventing the validation of this application.
3. A section of the pool will not be provided in this instance as the pool is not part of the application, refer to note (1) above.

I hope all of the above is clear and the application can be validated.

Regards
Haydn Jones
