Hi Anita

Drawings attached.

The only Northeast extension is the ground floor "squaring off" that has not changed from the original approval. The first and second floor footprints only change by the enclosure of the second floor balcony, which had the overlooking issue originally.

I agree to an extension of time until 21/06/2017 to allow consideration of the application.

Regards,
Peter.

Dear Peter,

I have just started to look at the above application details. I note that the second floor plan indicates 4 circular openings and an extension in the north east corner. To clarify how these changes relate to the development I would appreciate receipt of amended ground and first floor plans.

The application expires tomorrow and I would therefore also appreciate your agreement to a 2 week extension of time until 21-06-2017 to allow for receipt of this additional information and the subsequent writing of my report.

Regards
Anita Gardner
