Dear Sir,

I am writing this e-mail in support of the above application for the construction of a relatively small 4 bedroom detached Bungalow.

Having reviewed the plans , I would like to pledge my support for this scheme as I believe that this to be sympathetic to the surrounding area and will provide a new home for a local family that have already been residing in the village for some 20 years.

This development for a single dwelling would not harm the Natural Beauty of the Countryside , whereas a large scale housing estate scheme would!

The self-build developer should be supported for wanting to provide a home for his family as opposed to selling out to one of the multi-national housebuilders.

I trust that my comments will be taken on board when re-considering this application.

Kind regards

Sean Drew
