Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: K/17/22/PL
Site Address: Panorama Golden Acre Kingston BN16 1QP
Description of works: Conversion of existing 2 No flats into 1 No dwelling, single-storey extension with a sloping roof, new porch on ground floor, conservatory at first floor and roof extension, replacement of existing windows, doors and roof tiles. This site is in CIL Zone 4 and is CIL Liable as new dwelling.

Thank you for your internet representation made on 29th July 2022 which has been recorded as an objection with the comments as follows:

OWPC49409

1.LOSS OF PRIVACY

The proposed additional floor and windows (on the East and North Facing Elevations) would result in the occupants being able to see directly into our bedrooms, garden and living areas of our home. This would severely impact our privacy. My daughter's bedroom would be in direct site from the proposed 3rd floor windows - East and North facing. At the very least, the East and North Facing windows should be obscured with the use of privacy glass if these plans are approved.

2.INCREASED VOLUME

The proposed plans, if approved, would result in a house that would not be in-keeping with the neighbouring houses and area - it would be far too large a property for its prominent position at the end of the Greensward.

3. INCREASED NOISE

A house of this size would no doubt mean increased occupancy and additional noise especially during the summer months. This is a very peaceful area and we would wish that it stays this way if possible.

Your views as made above will be considered before the application is determined.
