Dear Sir/Madam,

Thank you for your email.

The condition applied by the Inspector states "The materials to be used in the construction of the external surfaces of the development hereby permitted shall match those used in the existing building.". Therefore, there are no details to submit to approve, but the materials much match the existing building at current.

Kind regards,

Z Denton

Dear Zac ,

I am the owner of the above property, following my approval of the appeal earlier in the year .

I would like to get the material approved by yourself .

Are you happy to approve the materials from the list on the planning drawings or do you require samples of the materials.

Yours Sincerely

Jeremy Martin
