Hi Susan,

We hope that you are keeping well.

Please find attached amended proposed front boundary to remove the pedestrian gate following conversations with the Kingston Gorse Estate and retain more of the grass verge which we hope will be acceptable,

Are you able to provide us with an update on the application please?

Kindest regards,

George

Dear Sir / Madam

I have begun looking at application K/23/25/HH and would appreciate clarification on the following.

The air source heat pump and the air conditioning units are not within the description for this application. Are you proposing to complete these under permitted development rights, in which case they will not be considered within K/23/25/HH.

If you are wanting them to be considered, then please submit the relevant details and we will consult Environmental Health and the description will need to be amended.

Kind regards
