Matthew,

Thank you for your email.

This application I believe has come via our enforcement team. I have been brought into Arun to assist with the back log of applications. Although the retention of the stables would appear to be acceptable I would like to request and extension of time up to 12th October to allow for building the work into my work stream although I anticipate an earlier decision.

Please confirm by email your acceptance of this position.

Hi Stuart,

My client has been chasing me up as to where we are with this application. Do you have any updates at all?

Kind regards
