Good morning,

Thank you for your email.

With regards to the inconsistency, the existing west elevation shows a door which is missing from the existing ground floor plan, please review and amend accordingly.

Kind Regards
Iqraa Malik

Hi Iqraa,

Happy for you to amend the description to include the solar panels thank you.

Not sure where the inconsistency is between the elevation and the plan – could you kindly clarify this for us please?

Biodiversity statement attached.

Kindest regards,

Maria
Director
