Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: K/2/26/HH
Site Address: Horizons 71 Coastal Road Kingston BN16 1SW
Description of works: Proposed erection of split chestnut post and rail fencing to the southern boundary.

Thank you for your internet representation made on 7th March 2026 which has been recorded as an objection with the comments as follows:

OWPC81925

Whilst i appreciate that the land may be privately owned, this space has always been used by the local community to create an area for walking and to enjoy nature and the sea scape. It is particularly an area that the elderly can enjoy due to the flat terrain. It does not feel very community minded to restrict this area to a narrower space behind the beach line. I am concerned that if this work proceeds it will set a precedent that if followed by other properties will completely change the outlook of this local area of natural beauty. There does not seem to be any benefit to the proposed fencing other than to restrict local people. If the owners wishes to re-wild for nature then this can be done without the erection of a fence.

Your views as made above will be considered before the application is determined.
