Dear Anita

We have noted Kingston Parish Councils objections which are a facsimile of the previous comments even though the proposal has change considerable in consultation with yourselves. We attach a response to the Councils concerns for your information.

As this application has had a long and illustrious history and all of the material issues have been discussed, documented and addressed we would have expected the application to be included in the March planning

committee meeting. It would be unfortunate for our client to be unduly burdened with potentially additional CIL costs on top of the protracted planning process.

I hope all of the above and attached is clear but please do not hesitate to contact me.

Regards

Haydn Jones | Director
