## EXISTING AND PROPOSED ELEVATIONS

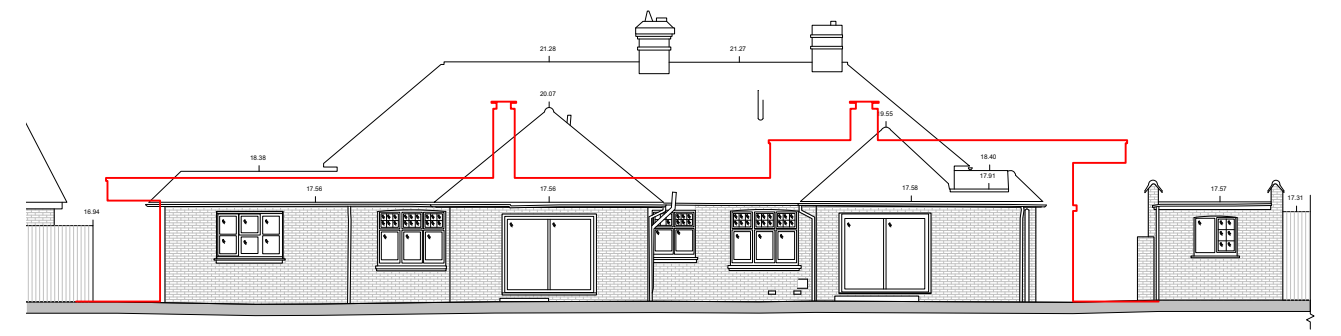

EXISTING SOUTH ELEVATION

Outline of proposed South Elevation

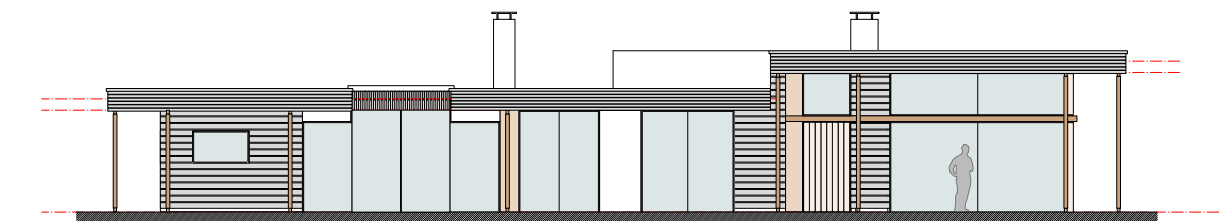

PROPOSED SOUTH ELEVATION

EXISTING NORTH ELEVATION

Outline of proposed North Elevation

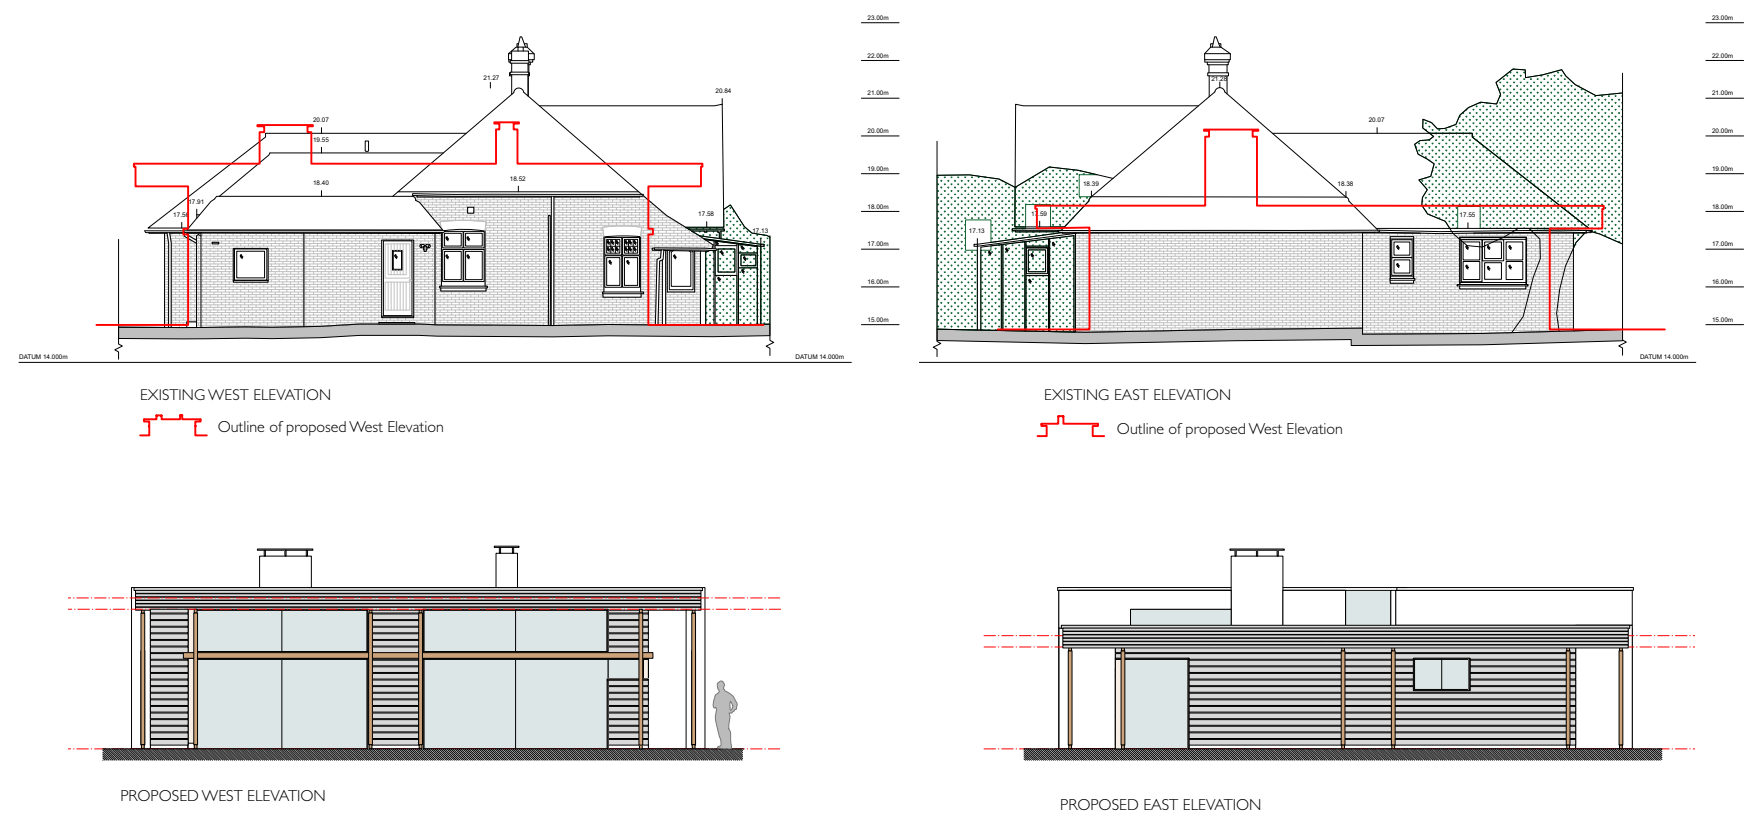

PROPOSED NORTH ELEVATION

The existing and proposed elevations (on this and the next page) illustrate that under the new proposal, the low density and low building height would be maintained.

# EXISTING AND PROPOSED ELEVATIONS

# SUMMARY

The ridge height of the existing property is lower than that of the neighboring properties, the proposed development, as illustrated above, will not be higher than the existing dwelling.
