Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015

Revised finishes to first floor elevations & new southern boundary wall & gates.
Fynings Middle Way Kingston

Thank you for your internet representation made on 22nd February 2019 which has been recorded as '**an objection**' with the comments as follows:

I am commenting on this application on behalf of the East Preston and Kingston Preservation Society;

The application proposes that the existing materials of the roof and walls, which are clay tiles and colour washed render, should be replaced by slate grey tiles and a combination of white render and silver grey Eternit boards. The front boundary hedge should be replaced by a 2 metre high wall of white render and grey aluminium planks.

The present finishes and boundary treatment of the plot are typical of the area. The proposed changes would therefore create a house that was a sharp contrast to the character of the area. Policy D DM1 of the Arun Local Plan states that development should reflect or improve upon the character of the site and the surrounding area in terms of, inter alia, materials (colour, texture) and landscaping. The proposed changes to materials and boundary treatment in this application clearly breach the conditions of this basic policy of the Local Plan.

This application should therefore be refused.
