You meant to send this to Daun... sorry

Bit confused over this one, I asked the agent to confirm whether it was 2 dwellings and she hasn't to me but in that email below she has. –

2 dwellings (but is one big house currently :) but with K/39/20/PL, we would like to legally convert two flats into a single dwelling. Confusing!

She submitted K/40/20/HH under a hh. With this information now shall I get her to submit on Full forms? Or is this permission she requires for the K/40 for when the application is one dwelling as the plans seem to show one dwelling but the D + A stated 2.

Best Paulina

Hi Daun,

Thank you for your e-mail

K/39/20/PL – I submitted drawings to legally convert two flats into a single dwelling (no changes in the drawing).

K/40/20/HH – I submitted drawings for a single-storey extension with a sloping roof, new porch on ground floor and conservatory at first floor. Replacement existing windows, doors and roof tiles. We are using existing permission drawings K/27/17/HH

Does this make sense? Please do let me know. Thank you in advance

CIL form attached for the application K/40/20/HH. I hope it's fine.

Kind regards

Paulina,

Can you clarify that for K/39/20/PL, you are making extensions to the dwelling?

Thank you

Dear Daun,

I hope you are well.

Apologies but I have to send you an updated set of drawings. My director has included some small tweaks on the Ground floor what effected the elevations.
