Dear Amy

Thank you very much for your message and keeping me up to date.

I understand from your last email in which you kindly explained that everything has been recommended to be approved, with the added planning condition of an obscure glazed screen at a height of 1.7m to the side of the proposed balcony.

Of course I understand your issues with staffing shortages so therefore agree the new EOT to Thursday 16th December, but please please do everything to get this completed for this new extended date.

Thank you so much.

Kind Regards

Paul Samme
