Dear Mr Eaton,

I'd just like to cancel my previous request for a drawing issue sheet – I have uploaded the document to the system myself and I don't feel it's necessary.

I'm also writing to confirm if we could once again alter the description of the application to read;

As built amendments to north dormer to increase height and alter materials, removal of southern first floor extension from scheme, new rooflight to eastern elevation in lieu of velux to southern elevation and new balcony screen to eastern elevation.

This description sums up what you are actually applying for rather than just rehashing the original description, as the windows do not form part of this application its best to just leave them out of the description.

If I can get your acceptance of these changes I would be grateful.

Kind regards,

Kathryn Welch
