Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: K/54/21/PL  
Site Address: Moorings Gorse Avenue East Preston BN16 1SQ  
Description of works: Variation of condition imposed under K/58/20/HH relating to condition 2-approved plans.

Thank you for your internet representation made on 16th December 2021 which has been recorded as an objection with the comments as follows:

OWPC42678

The west first floor bedroom will have a large dormer window to the front, and if approved, two south facing velux roof lights. The approved west facing window to this room already results in visual intrusion and loss of privacy for the occupiers of Highwater House. There is no justification for any increase in the size of this window, bearing in mind sufficient approved fenestration. Notwithstanding there is no reference in the application that the proposed window will include a fixed non-opening unit with OBSCURE glass. The addition of gable glazing and roof lights facing south will also result in unacceptable visual intrusion of the rear garden to Highwater House. There is no reference to the suitability of timber shingles in place of clay tiles in terms of fire resistance.

Your views as made above will be considered before the application is determined.
