Schedule of Proposed Materials and finishes of external walls

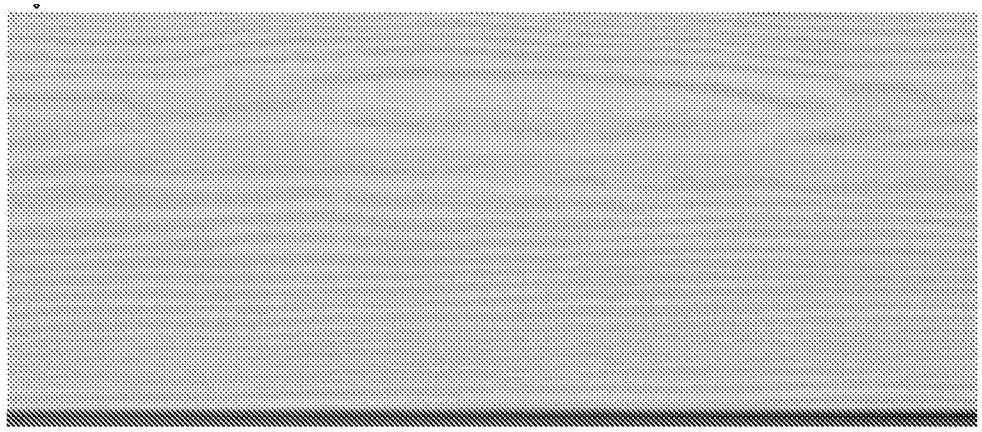
Information for the removal of condition 3 for:-
2 Gorse View, Peak Lane, Kingston, BN16 1RW

Condition 3 requires information to be provided regarding the external wall finishes of the property and proposed extensions.

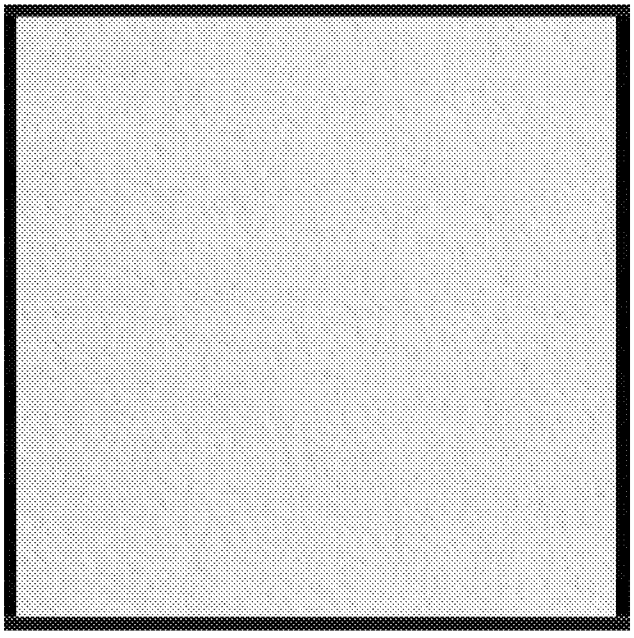
The ground floor walls of the dwelling will be a smooth render finish, which is an off white/cream colour.

The first floor will be a cladding finish which has a wood grain appearance and again is an off white/cream colour.

Both examples are detailed below.



Marley Cedral Lap Weatherboard, 190mm high, wood grain finish



Smooth render finish – standard render mix – off white/cream colour
