Anita

Please accept this message as an agreement to an extension of time for the application. Conscious of the Easter holidays looming would it be possible to meet with you ASAP or directly after your discussion with Team Leader and Group Head of planning.

Regards
Haydn

Haydn,
If you are happy to agree to an extension of time than I will come back to you once I have compared the proposal with that recently approved at Spring Tide and discussed it with other officers. If you would like to find a resolution then a longer EOT is likely to be required. I would suggest an initial EOT until 26-04-2019 to allow time for me to come back to you and for revisions to be accepted and processed.
Please can you agree to the EOT by return?
Regards
Anita

Anita

We would be happy to extend but also wish to find a solution. If we could agree on what is over development we may be able to make some revisions, that we will all be happy with. There does seem to be a great deal of misunderstanding with regards the size and height of the project, we categorically confirm that the height of the house will be no more than Spring Tides.

I would be more than happy to meet with you very briefly but understand if you haven't time but equally do wish to resolve any differences.

Regards
Haydn

Haydn,
I am just starting to look at the application in detail and do still have concerns over the amount of development. If the application is recommended for refusal it will require the agreement of both my Team Leader and the Group Head of Planning who have yet to look at any report. There may not be an opportunity for them both to review the application before Friday so would you be agreeable to an extension of time on the application until 12-04-2019? When a decision has been reached relating to the recommendation I will come back to before issuing the decision. Please can you let me know regarding the EOT be Friday this week?
Regards
Anita
