I have just checked the proposed scheme and there shouldn't be any external doors opening from the attic floor (turret). I will remove these from the plan and issue the revised drawing tomorrow.

The proposed roof in roof plan (SK2 C) appears to show 2No doors on the Western and Northern elevations – these however haven't been indicated on the elevations. Could you confirm if these have been indicated correctly, please note that if these have been shown in error we will require revised drawings.

Many thanks

Charlotte

Hi Charlotte,

Yes I agree to an extension of time. As we have not heard anything, can I assume that the application will be approved?

I am now the Planning Officer dealing with your application, as I am sure you are aware the application is due to expire on Friday and our offices are closed. Therefore, could I please request an extension of time until Thursday 25th April. This will enable enough time for the report to be read by my Team Leader and for the report to be issued. If at all possible I will however endeavour to issue a decision to you before this date.

Many Thanks
