Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (General Permitted Development) Order 2015 Schedule 2 (As amended)

Application No: K/9/26/PD
Site Address: Potato Barn Kingston Lane East Preston BN16 1RS
Description of works: Prior approval under Schedule 2, Part 3, Class Q for the conversion of existing barn into 3 No. dwellings.

Thank you for your internet representation made on 1st June 2026 which has been recorded as an objection with the comments as follows:

OWPC83799

I wish to place on record my strong objections.

No wildlife survey has been performed, despite it being specifically requested by Kingston Parish Council]: This is the third attempt to get this planning application passed, yet throughout there have been no wildlife surveys carried out, despite this being specifically requested by Kingston Parish Council. See concern #6 in the consultation document "Kingston Parish Council - Objection to K/3/26/PD". No justification has been submitted that negates the need for such a survey to be performed. a wildlife survey has not been mentioned at all in any of the proposed planning applications.

Ferring Rife and the surrounding area is a wildlife corridor containing a large number of species, some of which are red status protected. For example, the fields immediately to the North of the proposed development contain large numbers of Skylarks. These are ground nesting birds. Skylarks are protected under the Wildlife and Countryside Act 1981. Skylarks are classified in the UK as Red under the Birds of Conservation Concern 5: the Red List for Birds (2021). Human activity is one of the reasons for their severe decline.

I am concerned permission sets a dangerous precedent for further development
The Potato Barn is situated in one of the last large green areas between East Preston and Ferring

Your views as made above will be considered before the application is determined.
