Dear Mr Collins

I apologise for the confusion. My colleagues are dealing with planning portal application PP 09663195. LU/101/21/PL which came in on 25/03. From what I understand they accidentally sent you an incomplete letter on this one and you will be getting an acknowledgment shortly.

My email to you re the CIL form and supporting statement that I acknowledged previously related to another application you submitted PP-09680387 Land west Side of Hook Land and south of Sefter Lane Pagham which came in on 27/3 and which we have yet to download.(We are currently working on 25 March)

In your email earlier you have attached the CIL form for Pagham and a supporting statement for the Littlehampton one. I am not sure if the supporting statement is different to the one you had originally submitted or whether we just confused the issue but will swap it over in any case so the most recent one is on there.

Once again I am sorry about the confusion

Yours sincerely

Nicola
