Dear Sian Eggington,

Boundary wall to front sounds fine to me, I wouldn't know what else to call it.

I hope you and your team will pass this application.

I even went to the expense of including Flint panels into the wall because there are a lot about locally.

When do you think a decision will be made?

Very best regards,

Robert Senft

Dear Sir

Thank you for your email. The plans are all fine now however please confirm whether you agree with our description or provide a description you think is suitable 'Boundary wall to front'

Kind regards

Sian
