Hi Ben,

Thanks for this. The Conservation Officer had requested a condition securing final details of the proposed windows. However, most of the detail sought by the condition has been provided, and in further discussion, all that remains really is the finish/colour of the replacement windows.

I understand they are to be painted, and I assume a white/off-white colour. If this has not yet been confirmed, we can leave it to condition, but to avoid the need for this, do you have confirmation of the finish of the windows? If so, would you like to clearly state what paint/colour is to be used? T

That way I can secure the written correspondence as part of a condition that won't need to be discharged.

All the best,
