Dear Mr. Smith

Re: LU/104/11/L - Planning
Application for 61 Surrey Street,
Formerly 'The Lemon Tree', Littlehampton.

I am writing as the owner of
The Old Quay House to object
to the proposed erection of a
boat house adjacent to the
western boundary of my property.
This proposed building will block
light from my garden and effectively
annihilate my view of the sky and
boat masts which at present
makes the view from my kitchen

I look forward to hearing
from you with some urgency -
Kind Regards,
