Dear Miss Burrows,

RE: Your letter to us (dated 29 April 2013) requesting further information and amendments.

I would like to apologise for getting above information to you, however we have only got hold of this letter yesterday when our client the applicant has made a visit to the council to see why the application hasn't been validated, where then she was given the invalid letter.

We have now completed the requested information and the amendments to the drawings. Please find attached existing-proposed roof plans and revised floor plans.

Please note that my client is dealing with the Affordable housing statement herself and I will get that over to you once it is complete.

Please do contact me should you require further information.

Kind Regards,

Eralp Semi
