Dear Miss. Garner,

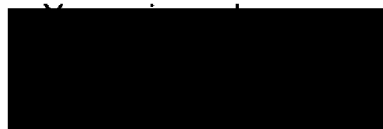

Re: 25, Maxwell Road, Littlehampton, West Sussex – Ref. LU/105/09

Further to your letter of the 12th May and our subsequent telephone conversation.

Please find enclosed a full plans application together with the supporting documentation as requested.

As stated on the telephone, it is merely my Client's wish to rotate the Garage, for which approval has previously been granted, to face onto Linden Road. I understand that should this proposal be refused, which is considered as an amendment to the previous Consent, that that Consent, eg. for the conversion of the existing property into residential use with Garage, will remain current and valid. My Client will therefore be at liberty to implement that Consent should he wish to do so.

Should you require any further information, please do not hesitate in contacting me.
