Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/108/21/PL
Site Address: River Villa, Sea Cadet H Q Rope Walk Littlehampton BN17 5DE
Description of works: Removal of derelict jetty & replacement with new jetty to enable access to the river for water borne activities. This site is in CIL Zone 1 (Zero Rated) as other development.

Thank you for your internet representation made on 29th June 2021 which has been recorded as support with the comments as follows:

OWPC37828

My daughter has been attending sea cadets in Littlehampton for years and the jetty that is there presently has been condemned, meaning that the sea cadets in Littlehampton and neighbouring units have not been able to experience the full potential that sea cadets can offer. The Littlehampton Sea Cadet Unit, offers diversity and inclusion, promoting positive aspiration and behaviours, facilitating a healthy social element that is so important to growing minds. The Sea Cadets is a charity with adult volunteers giving up their free time to support children in their journey. This jetty, on gaining approval will support the youth that attend in experiential learning, whilst continuing to promote community spirit within each sea cadet. I believe the jetty can and will be used by other youth groups in the area to offer similar water-borne activities, and after Covid-19 affecting so many children detrimentally, I feel that this jetty will breathe new life into all the children who will get to experience a safe and local way to enjoy water-borne activities.
