Dear Mr Smith

APPLICATION FOR A SINGLE STOREY SIDE EXTENSION AT 14 PEREGRINE ROAD
LITTLEHAMPTON

I refer to your reference LU/109/11/ which is the above application by a Mr Dicker.

Having now had the opportunity to carry out an external inspection of this house and the surrounding area, plus consider the plans that have been submitted by the Applicant, I wish to confirm my whole-hearted support for his application.

In my view this proposal will balance this particular property and I note that similar extensions have already taken place in this road, including one on the immediately adjacent house.

For the sake of regularity I again confirm that I have neither a personal or prejudicial interest in this matter.

Yours sincerely

Nigel Peters FRICS
