Sir/Madam</div><div>I am planning to use my recently converted annex for
short stay holiday let fully furnished accommodation, I have been asked
by the Arun Compliance Officer to gain clarity on the usage of the
annex.</div><div>The annex was granted for occasional family
convalescence and occasional holiday guests.</div><div>I would like to
advertise this annex on the air bnb platform for short stay
letting.</div><div>It would be available for 6 months of the year with a
view to letting it not more than 90 days.</div><div>I pay the Council tax
for this house as it's my home and the annex will continue to share
facilities with the main house, e.g. laundry, utilities, garden and extra
cooking facilities.</div><div>The annex shall also be used for the
remainder for convalescence for my family.</div><div>I have submitted as
supporting evidence correspondence regarding the initial application and
a local article asking for more holiday letting
availability</div></body></html>
