Subject: Application LU/109/26/PL - 17 Ernest Fitches Way

Hello,

I am due to determine the application above by the end of the day tomorrow, and I haven't received a consultation response from you. The application is for a small outbuilding in the back garden of a residential property which is to be used as a dog grooming parlour. Do you have any comments or conditions you would like to be attach to the permission? I had a similar application a while ago (FG/88/24/PL) where you recommended a condition requiring specific details of any equipment – would you want this to be added?

Thanks,

Hebe Smith (she/her)
