Dear Amber

The Town Council's Planning and Transportation Committee reviewed this additional information at its meeting yesterday (23rd May 2022) and Object to the proposals on the grounds that the design by virtue of its scale and massing was considered to be an overdevelopment of the site and would have a detrimental impact on the neighbourhood.

Dear Amber

Can you let me know what sort of timeframe you are looking at please? I would need to take this back to Members and the next meeting of the relevant Committee is not now due until 22 May.

Kind regards
Juliet

Subject: lu/112/22/pl

Dear Sir/Madam,

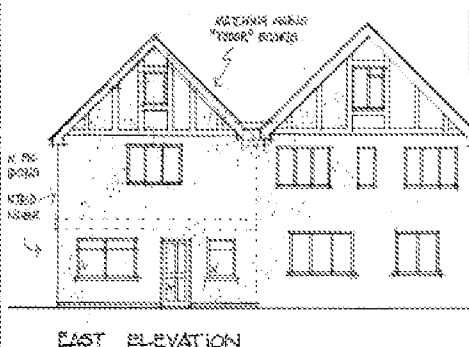

I am the officer on an application at 135A Wick Street LU/112/22/PL.

I note an objection was submitted by the parish due to 'the lack of detailed information particularly room dimensions.'

I just thought I would provide some additional information as currently with an objection it would have to attend committee.

The application is a resubmission of an application approved under LU/290/16/PL in 2016. The size of the proposed studio flat would be 41sqm.

I copy a rough sketch of what is intended.

Please let me know if this alters your consultation response.

Thanks

Amber Willard
