Dear Mr Cronin

Ref: LU/116/13/Hollyacre Toddington Lane Littlehampton West Sussex BN17 7PP

I am writing to strongly object to the above application. More houses in this small area of Toddington will add to the already changing character of the area, not to mention the increased traffic. Also I feel we do not need to be bringing any more people into the area of Littlehampton, the towns infrastructure cannot cope at the moment without building yet more houses.

Please take this letter as my official objection to this application.

Yours sincerely

Mr T Malt/A Riddick
