Subject: RE: Consultation Request on planning Application LU/116/13

Hello Cian

I have received a consultation document from Paul Jackson-Cole [REDACTED] and am satisfied that the actual work is sufficiently far enough away from Toddington level crossing as to be not a problem. Lyminster level crossing will not be affected at all.

Kind regards,

Clive Robey
Level Crossing Manager

Subject: Consultation Request on planning Application LU/116/13

Dear Clive,

I have been asked to bring your attention to the above planning application for "Hollyacre" near Toddington in Littlehampton. I previously sent a consultation email to [REDACTED] on 22/05/2013 but received no response.

The proposed site is located in proximity to the Toddington Lane and Lyminster Level Crossings so should be of interest to you.

I would appreciate any comments you have on this application as soon as possible as it is due to be considered by Planning Committee on November 13th.

Many thanks,

Cian
