Hi there,

I have edited my application in my planning portal. I have added the remaining spread and height of each tree in meters after pruning. I have added that in the "What are you applying for section".

I have also uploaded a more detailed sketch plan.

I will leave these here as well.

Horse Chestnut: Height: 10 meters. Spread: 8 meters

Holm Oak: Height: 10 meters. Spread: 8 meters

Please advise if you need further information.

Thank you
Paolo
