Thank you for your internet representation made on 30th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35597

Are these properties going to be low rent properties for local people?. No I suspect not I object on the grounds that there is too many unaffordable housing in the area already.I think if 112 homes are built here they should be under local government control or an agent acting on their behalf. No more unaffordable housing please not to mention the destruction of trees land and impact on local wildlife. Also the local water companies release too much raw sewage now with a system that cannot cope. Additional housing is going to ruin our beaches and our local area
