Dear Sir/Madam,

Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/116/21/PL
Site Address: Land South Of The Littlehampton Academy Fitzalan Road Littlehampton BN17 6ED
Description of works: Erection of 112 No. residential units with access from Fitzalan Road, open space, hard and soft landscaping works, internal roads/footways, car and cycle parking, substation, bin store and associated engineering and infrastructure works. This site is in CIL Zone 4 (Zero Rated).

Thank you for your internet representation made on 11th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36039

I do not object to developing the site and providing more homes in the area but do object to the flats at the western end of the site where residents will have a clear view into my house and others in Highdown Drive and Paterson Wilson Road. In the latest newsletter from the developer, they state that the proposals have been developed to take the surrounding area into account and 'The proposed dwellings have been positioned to preserve the privacy and general residential amenity of the surrounding dwellings and uses' It appears that the quest to maximize profit has taken over as it is hardly preserving the privacy of the surrounding area by building a four story structure with excellent views of current homes. I therefore object to the plan as it takes no account of the surrounding area despite its far-fetched claims.
