Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/116/21/PL
Site Address: Land South Of The Littlehampton Academy Fitzalan Road Littlehampton BN17 6ED
Description of works: Erection of 112 No. residential units with access from Fitzalan Road, open space, hard and soft landscaping works, internal roads/footways, car and cycle parking, substation, bin store and associated engineering and infrastructure works. This site is in CIL Zone 4 (Zero Rated).

Thank you for your internet representation made on 12th May 2021 which has been recorded as support with the comments as follows:

OWPC36152

The Committee of Littlehampton Society approves this proposed development in principle. We particularly like the fact that it will provide low-cost housing using modern construction methods. We welcome the attention paid to the outside space: the recreational area for children, the planting of native trees and shrubs, the rain garden and raised beds, all of which contribute to the residents' well-being.

However, there are two matters that concern us:

1. We consider that four storey buildings are too high for the area and would completely dominate the surrounding dwellings, many of which are single storey.
2. We are concerned about vehicular access to the site. At this point, Fitzalan Road is wide with roundabouts at the northern end (close to the Littlehampton Academy) and at the southern end at the junction of Fitzalan Road and East Street. We consider that all traffic leaving the site should turn left to the southern roundabout. All traffic entering the site should do so from the northern roundabout. It would be dangerous for traffic to enter or leave the site by crossing Fitzalan Road at this point.

Your views as made above will be considered before the application is determined.
