Dear Oliver,

I can't accept the EOT agreement from your client since you are the agent for the application. Please can you agree to the EOT by return?

As an update, I had a discussion with the Solicitor this afternoon and he will be responding to me once he has discussed the matter with our Engineers. He anticipates that he will respond within the first week of January.

Thanks

Anita

Dear Lydia,

I have been forwarded your voicemail message requesting a timetable if possible.

I have consulted our solicitor and engineers regarding your latest comments and am awaiting their response. I am hoping that legal will respond by the end of the first week in January and that Engineers will respond within a similar timeframe. I am out of the office after this week until 10-01-2022 and have other urgent applications to deal with on my return hence the request for an EOT until 31-01-2022 to allow time for consideration of the responses and writing of the officer report and checking by other officers in the sign off chain.

I am sorry I can't provide a more precise timeframe, but I am reliant other department's response times.
