Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/117/20/HH
Site Address: 68 Armada Way Littlehampton BN17 6QY
Description of works: Two storey side and rear extension, and alterations to existing garage to form habitable accommodation.

Thank you for your internet representation made on 8th June 2020 which has been recorded as an objection with the comments as follows:

OWPC27581

We have been made aware of the proposed planning application for no 68 Armada Way, Littlehampton, BN17 6QY.

I would like to support and reiterate the comments by Mrs Hunt and Mrs Weston.

The cul-de-sac has 17 properties that are able to make use of the limited parking in the cul-de-sac. At the end of the cul-de-sac there is parking for about six vehicles.

Of the 17 properties, most have one, two or three different vehicles, totalling about twenty five vehicles. Therefore at present, there is limited parking, although some properties have driveways to park their vehicles

The proposed building work would therefore have numerous vehicles owned by the different contractors. This could completely block access to the properties and the driveways and cause much inconvenience for many weeks and or months, plus causing problems with emergency vehicles.

Please could you take our concerns into account when making the decision?

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their

permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning

For details of how the Council will deal with your data please refer to our privacy notices on the website www.arun.gov.uk/planning-privacy-statements

If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this application.
