Dear Neil/Laura

Thank you for your comments regarding application LU/118/26/HH (email of 22nd May) and the additional information needed.

In response, I attach

1. a block plan (at 1:500 to replace the 1:200 one originally submitted)
- 2.
3. Revised elevations labelled for 6 windows
- 4.
5. The completed CI L form
- 6.
7. A biodiversity Enhancement Statement *

* Given the small scale and nature of replacing existing windows I would like to request the requirement of a biodiversity Enhancement Statement be waived as there is no opportunity to improve the natural environment at the windows themselves (if my statement is not adequate).

I hope this has covered everything

Best Wishes

Helen Davison
