Dear Mrs Davidson

Thank you for the courtesy extended to me on my recent visit to your home. As promised, I have pleasure in submitting my quotation as follows:-

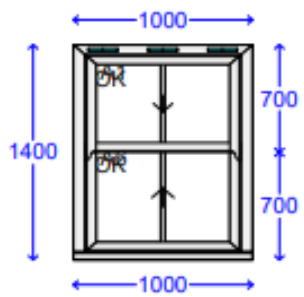

To supply and install 6 ECOSlide A-rated PVCu Vertical Sliding Sash windows , to the designs discussed ECOSlide Vertical Sliding Sash windows, to the designs discussed. The ECOSlide system is multi- chambered to allow full reinforcement and drainage. This gives an elegant appearance combined with great strength as Thermal reinforcing is used. All windows will be glazed with A-rated Pilkington energiKare Argon gas filled 24mm double glazed sealed units with a Warm Edge Swiss spacer bar. These have a full 16mm air gap giving superior sound and heat insulation over smaller air gaps. ECOSlide have Vertical Sash locking system and Sash stops that allows them to be open 120mm from the top or bottom.
