Dear Sir/Madam,

Re: Application for Removal or Variation of a Condition

Please find our completed application form as noted above.

I trust that we have enclosed all relevant and necessary information, as following a recent conversation with a planning department on how to complete the enclosed form, I was advised that only one basic set of plans should suffice in our situation, as we are only seeking to vary the opening hours as opposed to alter our building structure in any way.

Our situation is that we recently applied for, and received, a late premises license and are now seeking the relevant planning permission to enable us to make full use of the hours granted in that license.

Please do not hesitate to contact me directly on (07766) 112512, should you require anything further.

Yours faithfully,

Samantha Stapley
