Will,

Can you please confirm the colour of the roofing material. My preference would be for the light grey.

Thank you,

Andrew Wood

Good morning,

I'm looking at the above application, specifically condition 6 (site construction). The condition asks for plans and details of the site set-up during construction, however the only document on the portal I can find is a construction layout plan. In addition to the plan, EH will please need to see an accompanying construction management plan (CMP) in order to consider discharge of the condition.

Many thanks,

Kate.
