Subject: RE: Planning application LU/120/20/DOC land south of Toddington Lane

Dear Matthew and Michael,

Having viewed the water mains plan for this development and the location of potential fire hydrants, these locations are considered acceptable for the provision of water for firefighting for the two sites.

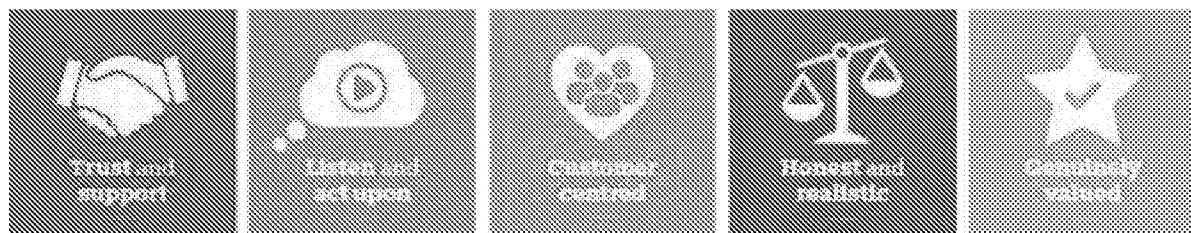

Regards

Ian Stocks
Water & Access manager

Ps I am now the new Water & Access manager for West Sussex Fire & Rescue Service since David Boarer retired in April this year.

Here is a planning application consultation request for a site in Littlehampton.

I am sorry that I may have sent this to the wrong email address initially.

I understand from the planning officer at Arun DC (address attached) that this matter has now become urgent. If you wish to respond direct to him at ADC, please copy me in.

Kind regards

Matthew Bartle

Please find attached a drawing showing the proposed location of fire hydrants for this development in Littlehampton. I would be grateful for your comments. If you decide to respond direct to Arun District Council, please could you copy me in.

Full details of the application are available under the above reference on the Arun DC online planning search facility.

Kind regards

Matthew Bartle
